VENTIN NILOCHEENI[®]

PREMIUM SUPPLEMENTS , UNBEATABLE PRICES

NILOCHEENI STEVIA - NATURAL SWEETENER

NiloCheeni Stevia is a premium, all-natural sweetener derived from the stevia plant, offering a healthier alternative to sugar without compromising on sweetness. This zero-calorie sweetener is perfect for managing weight, regulating blood sugar levels, and enhancing overall well-being. Whether for your morning coffee, desserts, or everyday cooking, NiloCheeni Stevia is the perfect companion for a healthier lifestyle.

WHY CHOOSE NILOCHEENI STEVIA?

- **100% Natural:** Extracted from high-quality stevia leaves for safe and natural sweetness
- **Zero Calories:** Enjoy the sweetness of sugar without the calorie burden.
- **Diabetic-Friendly:** Helps maintain stable blood sugar levels, making it ideal for those with diabetes.
- **Versatile and Convenient:** Perfect for drinks, baking, and cooking
- **Eco-Friendly:** Sustainable, plant-based solution for health-conscious individuals.

HOW TO USE:

- **For Beverages:** Add a sachet or a pinch from the jar to tea, coffee, or smoothies as per your taste.
- **For Cooking and Baking:** Replace sugar with NiloCheeni Stevia, adjusting the quantity (stevia is sweeter than sugar).
- **Storage:** Keep in a cool, dry place, tightly sealed to preserve freshness.

MAKE THE SWITCH TO NILOCHEENI STEVIA FOR A NATURALLY SWEET AND HEALTHIER LIFESTYLE--PERFECT FOR EVERY NEED, FROM YOUR MORNING COFFEE TO YOUR FAMILY'S FAVORITE DESSERTS!

NILOCHEENI SUCRALOSE - ZERO-CALORIE SWEETENER

NiloCheeni Sucralose is a premium, zero-calorie sweetener designed to provide the same sweetness as sugar without the extra calories. Perfect for weight management and blood sugar control, this versatile sweetener is ideal for beverages, cooking, and baking. With its clean, sugar-like taste and stability at high temperatures, NiloCheeni Sucralose is the perfect companion for a healthier lifestyle.

WHY CHOOSE NILOCHEENI SUCRALOSE?

- **Zero Calories:** Enjoy sweetness guilt-free without compromising your diet,
- **Diabetic-Friendly:** Safe for people with diabetes as it does not affect blood glucose levels.
- **Heat Stable:** Ideal for cooking and baking as it retains sweetness at high temperatures
- **Sugar-Like Taste:** Offers the same sweetness as sugar with no aftertaste,
- **Convenient Options:** Available in various pack sizes for different needs.

HOW TO USE:

- **For Beverages:** Add one tablet, sachet, or a pinch from the jar to tea, coffee, or smoothies as per your taste.
- **For Cooking and Baking:** Substitute sugar with NiloCheeni Sucralose in recipes, adjusting the quantity to match the sweetness
- **Storage:** Store in a cool, dry place, tightly sealed to preserve freshness

AVAILABLE PACKAGING

- **110 Tablets Pack:** Compact and travel-friendly, ideal for individual use.
- **50 Sachets Pack:** Perfect for portion-controlled sweetness
- **200g Jar:** Suitable for small family use
- **400g Jar:** Great for frequent users and larger households
- **1kg Jar:** Best for bulk needs or long-term usage
